

Welcome to our Class 11 page!

I am Miss Hawkins, and I am the class teacher for Class 11. This is my sixth year of teaching and my first year in Year 5! I am really excited about the new topics we will be learning and seeing how we progress through Upper Key Stage Two. Not only am I a class teacher, but I am also the RE Lead at West Heath Primary School. I love learning about different religions and beliefs and sharing new knowledge with the children in our school. Before becoming a teacher, I completed a degree in Musical Theatre, where I learnt to sing and dance. I try to bring this passion into my lessons to make learning come to life. I love musicals and enjoy going to the theatre whenever I can for a good singsong! If you walk past my classroom, you may hear us belting out a tune or even see a few jazz hands! I have high expectations of both work and behaviour because I want every child to shine and show just how amazing they are. I give one hundred percent to everything I do and am committed to helping and supporting the children in my class to reach their full potential.

We are incredibly lucky to have Miss Taylor working with us in Year 5 this year. She is a fantastic support and is extremely excited about the year ahead!
